Day of Prayer for the Legal Protection of Unborn Children – January 22nd

On January 22, 1973, the Supreme Court legalized abortion throughout the United States in its companion decisions Roe v. Wade and Doe v. Bolton. Since that time, millions of children have lost their lives, and millions of women and families have been wounded by abortion.

On June 24, 2022, the Dobbs v. Jackson Women's Health Organization decision overturned Roe v. Wade, and we praise God for the great opportunity state and federal legislators now have to protect pre-born children. While God, in His mercy, ended the nearly fifty-year nationwide regime of abortion on demand, right now state and federal laws, in many instances, are still hostile to pre-born children. So, great prayer and advocacy is very needed.

CHOOSE LIFE – Pregnancy Hot Line (909) 398-4838

“There is such a wide spectrum of issues involving the protection of human life and the promotion of human dignity. Good people frequently disagree on which problems to address, which policies to adopt and how best to apply them. But for citizens and elected officials alike, the basic principle is simple: We must begin with a commitment never to intentionally kill, or collude in the killing, of any innocent human life, no matter how broken, unformed, disabled or desperate that life may seem. In other words, the choice of certain ways of acting is always and radically incompatible with the love of God and the dignity of the human person created in His image.”
